Vilnius, Lithuania

STATEMENT OF SUPPORT

We, the Lithuanian Cinematographers Association (LAC), hereby join our international colleagues and the film community in endorsing the appeal for the Czech Television Film Laboratory (*Filmová laboratoř ČT*).

We fully support the initiative requesting that the management of Czech Television and relevant institutions guarantee the continued operational support and ongoing funding for the laboratory, ensuring its irreplaceable role in film production, education, and cultural heritage preservation.

Lithuanian Association of Cinematographers (LAC)

President Laura Aliukonytė
